Dear Parents / Carers

We are delighted to be able to give you a copy of our OFSTED report from our recent inspection.

OFSTED recognise that we are a good school with many aspects that are outstanding. With such wonderful children at Hollybrook Infant, it is no surprise that the inspectors judged behaviour and attitudes to learning as outstanding!

While numbers are a useful indicator, we are particularly pleased with the content of the report which clearly identifies many areas of outstanding work in achievement, teaching and learning, and leadership.

I am exceptionally proud of all the staff and children at the school. This is not because of our glowing report, but because staff put in maximum effort every day to provide the best education they can for each child and because children learn to the best of their ability, are respectful and make Hollybrook Infant such a lovely place to work.

I am also pleased that OFSTED recognised your role in our school community. As a school we are fully aware of the significant impact you have on your child's education through your support with learning at home, as well as your support in school. Thank you to those parents who took the time to fill in the parent questionnaire or who spoke personally to the inspectors.

As we look forward, I can assure you that we will continue to do our best for your children, focusing carefully on the advice from OFSTED so that we can make Hollybrook Infant an even better place to learn in the months ahead.
