14th February 2017

Dear Parent/Carer

We are really excited to be able to offer children in Year Two a new opportunity to develop their citizenship skills and to enjoy a new learning experience.

We are offering the children the chance to sign up to complete the Civic Award. The Civic Award has been running in Southampton for many years. This involves the children completing different responsibilities at home and at school as well as organising a fun event to celebrate their hard work.

Roy Honeybone, the creator of the Civic Award, is coming into school to share his enthusiasm for this special award. We would like to invite parents into an assembly on Tuesday 28th February 2017 at 9.00am where a presentation will be made to Year Two children and attending parents to explain the activities involved in completing the Civic Award.

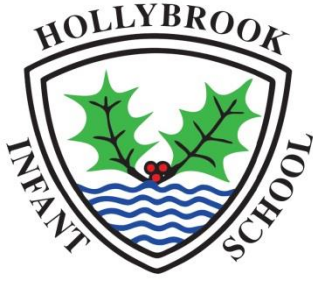

If you are able to attend, please complete the slip below. We will be sending out an information letter for parents who cannot attend. Please ensure you discuss this with your child as it will be their responsibility to ensure they meet all the requirements to achieve the Civic Award.

A sign up letter will go home after the assembly for children who would like to take part in the Civic Award, so keep your eyes open for this. This is an information session for parents, however, if you are unable to attend your child may still be able to complete the Civic Award.

Thank you

Clare Clifford and Laura Jackson
