Thursday 30th September 2016

Dear Parents/carers,

DFE PUPIL CENSUS - AUTUMN TERM 2016

As you may be aware, all schools are required to provide statistical information about their school on a termly basis to the DFE through the Pupil Census. The first Census Day of the academic year is next Thursday 6th October.

As usual, one of the statistics they collect is in respect of school dinners and therefore our funding for school dinners is actually based on the number of dinners ordered on Census Day. With this in mind, we are offering a special menu based on what food our pupils have said they would like to see and your child/children can order their choice in their class in the normal way. As always, any hot meal at school is free of charge for all infant school children. The menu is as follows:-

Mains

Chicken Nuggets (m), Cheese & Tomato Pizza (V) or Pasta with tomato sauce or cheese (Buffet choice)

On the side

French Fries

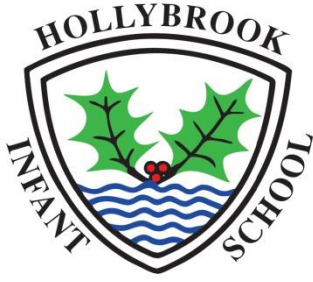

AND

Baked Beans or Peas

For Dessert

Cupcake or Fruit

Hollybrook Infant School

Headteacher: Mrs J Wood, NPQH

Deputy Headteacher: Mrs C Clifford

It would really help with funding of our school if all children had a school meal on Census Day and we thank you for your assistance in this.

Kind regards

Jane Wood

Head Teacher
