Deputy Headteacher: Mrs C Clifford

Wednesday 9th March 2016

Dear Children and Parents/Carers,

We are the Pupil Council and we are organising a fun event to raise money for Sports Relief. We feel it is important to raise money for Sports Relief so we can help children who are not as fortunate as us.

Our fun event is:

- We are going to be walking or running, by ourselves or as part of a team, a whole mile! Year Two are going to measure this for us!
- Year 1 will be completing this earlier in the week due to their school trip to Blue Reef Aquarium on Sports Relief day
- The children will be wearing normal school uniform on Sports Relief day, however, please ensure all PE kits are in school for this activity

We are going to be having our Sports Relief day in school on **Friday 18th March**.

Please could any voluntary donations for Sports Relief be brought in on this day!

Thank you for your support

Pupil Council
