Dear Parents/Carers,

We always knew that this was a short half term but it seems to have whistled by! The Year 2 children have now completed their "quizzes" and we are very proud of the way in which they have tackled them.

The half term started off with "Earth Day" where children had the opportunity to learn more about nature and plant flower pot people. These can now be seen on display at Hilliers Garden Centre. Year 1 visited Jack's Corner at the Sports Centre as part of their design and technology curriculum, where they were investigating the playground equipment so that they could design and make a playground. They are also going to visit St James' Church as part of their RE curriculum.

Year R have been practising hard for their year group assembly and it was certainly a real treat!

I hope that you all have a great half term and look forward to seeing you all on 3rd June for the second half of the summer term, hopefully with the weather to go with it!

Mrs Wood, Headteacher
