

Under The Sea

Our new topic is all about 'Under the Sea'. For your child's next piece of home learning we would like them to research facts about one of the following under water animals:

- Dolphins
- Sharks
- Sea Turtles
- Crabs

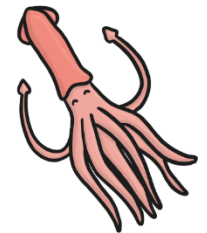

They can present their facts in their own chosen way (E.g. fact file / poster / PowerPoint)

Examples of things to research:

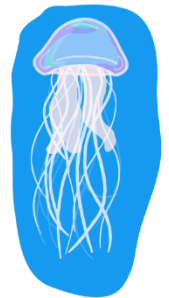

- What do they eat? (herbivore, omnivore, carnivore)
- Where do they live?
- What eats them?
- How long do they live?
- Are they a fish, mammal, amphibian, reptile or bird? How do you know?

Please could your child bring their fact file back to school by Monday 26th February.

Thank you for your support. We look forward to sharing your child's work.

Miss Parker and Miss Chalk
