

LITERACY

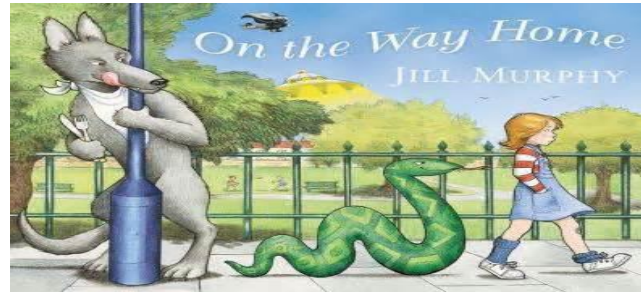

- We will be reading and retelling using Makaton, the story of 'On The Way Home'.
- We will be writing our own stories based on this with our own characters.
- We will be practising the spelling pattern of **-er**, **-est**, **-ed**, **-ing** and learning the prefix of **un-**.
- We will be creating a leaflet to persuade people to visit our local sports center.

MATHS

- We will be finding half and a quarter of objects and numbers.
- We will be recapping the skills of adding, subtracting, multiplying and dividing .
- We will be recapping number bonds to 20 and subtraction facts linked to this.
- We will be recognising the value of different coins and notes .

ART/DT

- We will be using different materials to make a collage .
