

LITERACY

- We will be retelling the story of the Owl Babies with actions.
- We will be looking at putting 'ed' onto the end of words to make it past tense.
- We will be learning to extend sentences by using 'and' and 'because'.
- We will be creating fact files about nocturnal animals.

MATHS

- We will be learning how to use objects, jottings and number lines to help us add and subtract.
- We will be solving problems based on addition and subtraction.
- We will be continuing to practise number bonds to 10/20.
- We will be recognise and naming common 2D and 3D shapes.

ART/DT

- We will be looking at the work of **George Seurat** and focusing on pointillism.
- We will be creating a shoe box setting of the woods during the night or day.

Who's afraid of the Dark?

GEOGRAPHY/HISTORY/R.E

- We will be identifying why we are important within our family and community.
- We will be learning why Christmas is a special time for Christians.
- We will be finding out which animals live in the local area.
- We will be finding out about Thomas Edison and his invention of the light bulb and how this has had an impact on our lives.

Hollybrook Infant School

SCIENCE

- We will be identifying nocturnal animals.
- We will be identifying different light sources and explaining how they help us see in the dark.
- We will be finding out about Thomas Edison and his invention of the first light bulb.

MUSIC

- Dynamics and tempo linked to night and dark.

P.E

- We will be learning to create our own sequence of movements.
- We will be learning how to control a ball.

ICT

- We will be using a laptop to create a winter scene.

Dress up as a nocturnal animal. Parents invited in at 2.15 on Friday 2nd December- details to follow.
