Ways to help your child at home this half term:

### English

- In order to reach age related expectations, it is expected that your child should be able to read and write a range of common exception words. Below are a copy of the next 20 words for your child to make sure that he/she can read *and* write.

eye	could	should	would	who

*These can be practised on their own or written within sentences. Try to look for the words in the books they are bringing home or try spelling them out loud in the car.*
