

## Home Learning.

Firstly thank you for all your wonderful People who Help Us home learning. We were amazed at how creative you were with presenting your ideas. A very big well done. The children enjoyed sharing their work with the rest of the class.

As Christmas is approaching and we will soon be sending home costume letters, we have decided not to set any specific home learning for this topic.

However, please keep practising your child's HFW as we will be checking every child's progress over the next couple of weeks.

Remember to keep sending in any Magic Moments. Additional sheets can be collected from the Year R entrance.

Many Thanks

The Foundation Stage Team.
